Dear BSA friends,

please let us inform you regarding latest news on IR 2020 Czechia at Slapy Lake, 30.8. - 06.09.2020.

From the safety and hygienic reasons the rally site has to be changed. In the Louti camp there is a children camp at the same time and the coexistence of children and participants from various foreign countries is due to hygienic regulations not possible. From that reason we found a new camp direct to the Slapy lake with the sufficient capacity and background for performing of IR 2020 Czechia. It is an **Autocamp Nová Rabyně, address Nová Rabyně 51, CZ-252 08 Slapy nad Vltavou. GPS location: 49.808925 14.426980.** Camp website: www.novarabyne.cz However the website is only in Czech, but includes the basic informations for visitors. In this camp all the campers with tents, caravans and campervans will be accomodated.

The participants who have ordered the accomodation in pension, will be accomodated in **Pension Žižka, address Rabyně 7, CZ-252 08 Slapy nad Vltavou. GPS location: 49°48'848' 14°26'036'.** Pension website: www.penzionzizka.cz The accomodation is secured in nice double rooms with all necessary accessories, for more info please visit the website. **Also the rally office will be located at Zizka pension! All participants they come to join the 57th. Intl. BSA rally Czech will come first to the rally office in Zizka pension for check-in and to receive necessary information and materials. After the check-in they will be directed to the accomodation site. All participants will receive the maps and instructions to the rally, the organizing service will be secured in both accomodation facilities.**

Please don't forged to bring a confirmation of payment of rally fees from your bank to speed up the check-in of participants, thank you in advance!
