

The Danish BSA Owners Club cordially invites you to the 62nd International BSA rally!

Where: Sakskøbing Sportscenter, P. Hansensvej 15, 5990 Sakskøbing, Denmark

When: 2.-9. August 2025

The rally venue is situated on the island of Lolland in south-eastern Denmark, which is connected to the rest of Denmark by bridges. Sakskøbing is a town of ca. 4500 inhabitants in rural settings 140 km South of Copenhagen, which offer lots of opportunities for riding your BSA on A- and B-roads to small harbour towns and through farming country.

The rally is to be held at Sakskøbing Sportscenter, which has a camp site with ample space for the BSA community in tents and caravans. The centre also has as a number of cabins.

We will have the use of an indoor sports arena for meals and socialising through the day, and for convivial bike talk over a beer in the evenings. Since we are at a sports centre, we will have the use of sports facilities, including a swimming pool.

Catering will be on-site, and provided by the staff of the sports centre, which is hosting large groups like ours on a daily basis. If you prefer, there are a number of places to eat within the distance of a short ride.

The Danish BSA Owners Club will set up a break-down service to collect any unfortunate rally-goers throughout the duration of the rally. There will be a covered workshop area with basic tools, and a parts dealer will be open for business on a number of days during the event.

We hope to see you in Denmark in 2025!

The booking will start in January, We will keep you informed via Facebook "International BSA Rally 2025", and via our website: www.bsa.dk.

The 62nd International BSA Rally

Preliminary programme

Saturday 2. August: arrival, pitch your tent, Free meal if pre-booked

Sunday 3. August: official opening, live music

Monday 4. August: line-up

Tuesday 5. August: run to the Danish motorcycle museum in Stubbekøbing, live music
